Top 5 Bingo Complaints Received by the Security Division of the Texas Lottery Commission

The Security Division of the Texas Lottery Commission receives and investigates all bingo complaints. During the first quarter of fiscal year 2000 (September 1 – November 30, 1999) a total of 88 complaints were received. Action was taken on 21 of the complaints received. Twelve complaints on organizations were referred to District Attorneys or County Attorneys, the Legal Section of the Texas Lottery Commission and the Audit Section of the Bingo Operations Division of the Texas Lottery Commission. Nine organizations were issued warnings. The remaining cases were closed and no regulatory administrative action was taken.

The following is a list of the top five complaints received from September 1, 1999 to November 30, 1999:

Rank	Nature of Complaint	Number of Complaints
1	Gambling	13
2	House rules violations	11
3	Failure to pay prize to winner(s)	10
4	Reserved bingo cards	8
5	Person denied admission	6

Consider the following suggestions for possibly avoiding the above complaints:

Rule Review Proposed

At the January 28, 2000 meeting of the Texas Lottery Commission, the Commission proposed the rule review of all Charitable Bingo Administrative Rules except 402.572, License Fee Rule. For information on the proposed rule review visit the Texas Register website at www.sos.state.tx.us/textrg/index.html.

New Members of Bingo Advisory Committee (BAC) Appointed

At the January 28, 2000, meeting of the Texas Lottery Commission, the Commissioners appointed Mrs. Betty Ann Matthies to fill the unexpired term of her late husband, C. H. "Pokey" Matthies. Mrs. Matthies represents charities. The Commissioners also appointed Mr. Fabian Hoffner to fill the unexpired term of Mr. Jim MacPhearson. Mr. Hoffner represents manufacturers and distributors.

Gambling - call your local prosecutor (District Attorney or County Attorney) and request an interpretation of any questionable gaming or gaming devices you may have at your playing location.

House rules violations - post and/or make available to everyone the house rules. Be sure the house rules are written clearly and are easy to understand. By doing this, you will help insure that players and those associated with the operation of the games know the rules.

Failure to pay prizes to winner - state clearly in the house rules the procedure for paying winners and always follow the procedure when making prize payments to winners.

Reserved Bingo Cards - Charitable Bingo Administrative Rule 402.548(g) prohibits the practice of reserving bingo cards or card-minding devices that are loaded. Include a statement in your house rules about the prohibition of reserving bingo cards and preloaded card-minding devices.

Persons denied admission - Sec. 2001.412 of the Bingo Enabling Act states, "A person may not be denied admissions to a bingo game or the opportunity to participate in a game because of race, color, creed, religion, national origin, sex, or disability or because the person is not a member of the licensed authorized organization conducting the bingo game." Be sure your games are operated within these parameters.

Note: In addition to posting the house rules be sure you have current copies of the Bingo Enabling Act and Charitable Bingo Administrative Rules available for both players and those responsible for the conduct and operation of the bingo games. If you need copies of these documents or have questions, please contact our office at 1-800-BINGO-77 (246-4677).
