

Schedule H – Worksheet for Calculating License Fee

(Rev. 8/07)

WHO SHOULD SUBMIT THIS SCHEDULE

This form must be submitted by an organization requesting to amend its license to increase its number of licensed bingo occasions within the first six months of the issuance of the organization's original license to conduct bingo. The calculation on this form will determine if additional license fee will be required before the amendment may be granted.

FORM SUBMISSION

For mail: Charitable Bingo Operations Division, Texas Lottery Commission, PO Box 16630, Austin, TX 78761-6630

Via Fax: (512) 344-5142

FOR ASSISTANCE in completing this form, please call 1-800-BINGO-77 (1-800-246-4677) or visit our Web site at www.txbingo.org.

GENERAL INSTRUCTIONS

- Please print legibly or type.
- The fee for a license is based on your estimated gross receipts from the conduct of bingo. The new license class and fee, based on the proposed increase in the number of occasions, will be calculated using the formula below. Calculations are based on a single bingo occasion.
- Any additional license fee required should be submitted with the amendment application.
- If your original license was issued for a one year license period, refer to the One Year License Fee column on the Table of License Fees. If your original license was issued for a two year license period, refer to the Two Year License Fee column on the Table of License Fees.
- Payment must be made from your bingo bank account and made payable to the STATE COMPTROLLER.

Name of Organization	Taxpayer Number
----------------------	-----------------

CALCULATION OF LICENSE FEE

- a. Enter estimated total dollar amount of regular and instant prizes to be awarded per bingo occasion a. \$ _____
The prize amount cannot exceed \$750 per game and \$2,500 per occasion for regular bingo games.
