

Independent Testing Labs

This section provides the independent testing labs that were approved in the past by the Charitable Bingo Operations Division. Manufacturers of bingo card-minding systems may use any of the listed labs for testing of their bingo equipment for use in Texas. A card-minding system may not be sold, leased or otherwise furnished to any person for use in the conduct of bingo until it has first been tested and certified as compliant with the standards in the Charitable Bingo Administrative Rules. Please Refer to 16 TAC 402.324 Card-Minding System – Approval of Card-Minding Systems.
