

A Special Message for Licensed Authorized Organizations 05-01-2020

Attention Bingo Licensed Authorized Organizations - 05-01-2020:

Whether a bingo hall is eligible to reopen under Phase One of the Governor's Executive Order to reopen the Texas economy is not within the purview of the Texas Lottery Commission.

Before any bingo hall reopens, charitable bingo licensee's should refer to the [Governor's Executive Order GA-18](#), the [Open Texas-Report](#), and contact their local officials(County Judge or Mayor). Local officials should contact the Texas Attorney General's Office for further guidance.

Thanks,
Tom
