

Dear Charitable Bingo community,

You may have received an email stating that you were unsubscribed from our Bingo Blast List. This is not so.

It has been determined by the Texas Lottery Commission Information Resources Department that all valid email addresses within the system, are still active.

We are still working with our contractor to determine why the unsubscribe email was sent in error.

We apologize for any inconvenience or misunderstanding caused by this incident.

Thank you for your invaluable support of Texas charities.

Sincerely,

Charitable Bingo Operations Division
