WHO SHOULD USE THIS FORM

Licensed authorized organizations may use this form to document the sale of disposable bingo cards by ushers/floor workers. It provides a record for cash and disposable bingo cards handled by individuals that sell disposable bingo cards on the floor of the bingo hall. Information from this form may be used in preparation of the *Occasion Cash Report FORMID 72*.

Note: This form is not submitted to the Commission. It is a recommended form that allows the conductor to account for bingo products that are sold on the floor.
