CONDUCTOR

Charitable Bingo Operations Division

Perpetual Inventory - Disposable Bingo Card Sales

FORMID 79

WHO SHOULD USE THIS FORM

Licensed authorized organizations may use this form to log the receit of disposable bingo cards purchased from distributors and the on-going sale of the disposable bingo cards to bingo patrons. This form allows the licensed authorization to track the sales of disposable bingo cards. The licensed authorized organization may be held responsible for the sales value of disposable bingo cards that are missing or not accurately accounted for.

NOTE:

This form is not submitted to the commission. It is a recommended form that allows the conductor to accurately account for the use of bingo products, specifically, disposable bingo card (UPS PADS or single sheets) that are not typically purchased from distributors and sold to bingo patrons.
