## FREQUENTLY ASKED QUESTIONS

### Q. What should I do if I think a player has a gambling problem?

**A.** Addressing a potential gambling problem can be a challenging situation. Ultimately, the decision to mention a possible gambling problem is at the discretion of the retailer. The Texas Lottery website provides a retailer training video, educational materials and a list of responsible gaming resources. We also supply all retailers with English and Spanish **PLAY RESPONSIBLY** brochures.

### Q. What is problem gambling?

**A.** The National Council on Problem Gambling (NCPG) provides research that indicates people with a gambling disorder may experience the need to bet more and more to achieve the same excitement. NCPG identifies some symptoms as: the inability to set and stick to a limit of time and money spent gambling; viewing wagering as an investment; and/or betting to escape feelings of anxiety, stress or depression. NCPG urges people who are at risk to call the national hotline **800-522-4700**.
