RETAILER RULES

YOU ARE IMPORTANT TO US!
Avoid Texas Lottery® Retailer Violations

Here is a common one to avoid:

Licensee fails to follow instructions and procedures for the conduct of any particular lottery game, lottery special event or promotion. [16 TAC §401.160(h)(4)]

- Selling tickets that are not activated is against lottery instructions and causes difficulty for players trying to redeem prizes.
- Texas Lottery retailers are instructed to always activate a pack of scratch tickets before selling.
- Confirm that a pack is activated by reading the activation receipt and terminal screen.
- Penalties range from **Warning Letters** to **License Suspension** or **Revocation**.
- A complete list of lottery violations is available in the Retailer Manual at texaslottery.com/Retailers.

Lottery is fun, but lottery violations aren't!

PLAY
RESPONSIBLY.
