SOLICITATION ANNOUNCEMENT

Date: January 16, 2024

Class/Item: 961-40

Proposal No.: 362-2024-0002

The Texas Lottery Commission expects to issue a Request for Proposals (RFP) for Lottery Products Testing Services in the near future to obtain proposals from qualified Proposers. The Successful Proposer shall be responsible for conducting tests and evaluations to ensure the security, integrity and “playability” of Texas Lottery products, which include scratch ticket games, draw game paper stock and other lottery products. Texas Lottery scratch ticket games are produced by third-party vendors in packs ranging from ten (10) to two hundred fifty (250) tickets. The packs are shipped directly by the vendors to the Texas Lottery’s lottery operator. The Texas Lottery anticipates, but does not warrant, that there will be an average of eighty-five (85) to ninety-five (95) standard games produced annually during the contract term. However, the Texas Lottery does not warrant all scratch ticket games will be submitted for testing under any Contract resulting from this RFP.

To request a copy of the RFP, please fill out the information below and return to the email or fax number indicated. To ensure that you receive the RFP in a timely manner, please return this request **BY 4 P.M. on February 1, 2024**. Requests submitted after this date will be filled as received. Vendors are responsible for verifying timely receipt of this completed form.

This RFP will also be available for download on the Texas Lottery Commission’s website at https://www.texaslottery.com/export/sites/lottery/About_Us/Doing_Business_with_TLC/Procurement/ and the Electronic State Business Daily at <https://www.txsmartbuy.com/esbd>. It is the responsibility of interested vendors to regularly check the Texas Lottery website and the Electronic State Business Daily for updates.

Please note: The RFP will not be issued prior to the date listed above.
