PART 1 INTRODUCTION

1.1 Purpose of Invitation for Bids

The purpose of this Invitation for Bids (IFB) is to obtain Bids from qualified vendors to provide security officer services at its Austin, Texas facilities for the Texas Lottery Commission (referred to herein as “**Texas Lottery Commission**”, “**Texas Lottery**”, “**Lottery**”, “**Commission**”, or “**TLC**”).

The Texas Lottery is located in a state office building at 1801 Congress Avenue, Austin, Texas 78701. The TLC Austin Claim Center and Lottery Drawing Studio are located on the first level and public facing. Staff are located on levels one, two, five and six. The agency occupies the building with over twenty (20) other state agencies and the Texas Facilities Commission (TFC) will be responsible for building reception activities during normal business hours. Services to be provided under this IFB are required after hours and on days/times designated by the TLC.

Security officers shall provide security services for the Texas Lottery Commission’s Claim Center, Drawing Studio and computer operations located at the Headquarters facility, and when required, at other TLC designated Austin area facilities. Security services will be provided six (6) days a week, Monday through Saturday, including state holidays. In addition, Sunday hours will periodically be required and scheduled in advance. Primary security officer duties will include, but are not limited to, patrolling designated premises, reporting suspicious activity, and assisting and escorting staff/contractors throughout the facility and to their vehicles after hours. All security officers must be thoroughly familiar with their individual duties and the procedures as specified by the Texas Lottery.

Bidders shall provide information, evidence, and demonstrations that will permit awarding a contract in a manner that provides the best value to the Texas Lottery.

1.2 Intent

The Texas Lottery Commission intends to enter into a contract with a Successful Bidder to provide security officer services for the Texas Lottery Commission, as more fully described in Part 4, Contract Specifications.

If a Bidder fails to notify the Commission point of contact of any error, ambiguity, conflict, discrepancy, exclusionary specification or omission, the Bidder shall submit a response at its own risk; and, if awarded a contract, the Successful Bidder shall be deemed to have waived any claim that the IFB and contract were ambiguous and shall not contest the Texas Lottery Commission's interpretation. In

no event shall a Bidder be entitled to additional compensation, relief or time by reason of the above-listed defects or their later correction.

1.7 Historically Underutilized Business (HUB) Plan

All Bids must include a completed Historically Underutilized Business (HUB) Subcontracting Plan (HSP) in the format required by the Texas Comptroller of Public Accounts. Bidders are strongly encouraged to start preparing HSP forms as soon as possible and take advantage of the TLC assistance as noted in Section 3.7.3 of this IFB. See Section 1.3, Schedule of Events, for HSP related deadlines. See Section 3.7 for additional information on the HSP.

1.8 Bidder's Contracting Authority

The Bidder warrants and represents that the person named on the first page of the Bid has the full right, power and is legally authorized to execute the Contract and/or Purchase Order resulting from this IFB on behalf of the Bidder. Commitments must be unqualified, not limited, and fully commit the Bidder to provide the goods and services required under this IFB.

PART 2 GENERAL INFORMATION

2.1 Authority

This IFB is issued in accordance with the State Lottery Act (Tex. Gov't Code ch. 466) and the procurement rules of the Texas Lottery Commission, 16 Tex. Admin. Code (TAC) §401. All Bids submitted in response to this IFB are subject to the requirements of the State Lottery Act, regardless of whether specifically addressed in this IFB. All potential Bidders should read and be familiar with the State Lottery Act and the procurement rules of the Texas Lottery Commission.

2.2 Issuing Agency and Right to Amend IFB

This IFB is issued by the Texas Lottery Commission and is subject to clarification, modification, amendment, alteration, or withdrawal at the Texas Lottery Commission's sole discretion at any time prior to award, if in the Texas Lottery Commission's best interest. The decision of the Texas Lottery Commission shall be administratively final in this regard.

2.3 Texas Lottery Commission Obligations

The Texas Lottery Commission shall not be responsible for costs incurred in responding to this IFB. The Texas Lottery Commission reserves the right to select qualified Bids to this IFB without discussion of the Bids with the Bidders. All Bids will become a part of the Texas Lottery Commission's official procurement files and will be available for public inspection after contract award. The Texas Lottery Commission reserves the right to reject any or all Bids received. No obligation is created by retention of these Bids, nor is the Texas Lottery Commission committed to awarding a contract as a result of this IFB.

2.4 Successful Bidder's Obligations

The Successful Bidder shall be responsible for the performance of all contractual obligations that may result from an award based on this IFB and shall not be relieved of obligations due to non-performance of any or all subcontractor(s).

A bid submitted in response to this IFB must identify any subcontractors and describe the contractual relationship between the Bidder and each subcontractor. The Successful Bidder must obtain written approval from the Texas Lottery Commission before subcontracting any portion of the contract requirements.

2.5 Bid Tenure

All Bids shall be valid for a period of ninety (90) days from the deadline for Bids.

2.6 News Releases

News releases pertaining to this IFB and/or any resulting contract or the goods and services to which they are related will not be issued without the prior written approval of the Texas Lottery Commission, and then only in accordance with explicit written instructions from the Texas Lottery Commission. The disclosure of any portion of the contents of any bid

prior to the award of a contract under this IFB may result in disqualification.

2.7 Open Records

The Texas Lottery Commission is subject to the Texas Public Information Act (Act) (Tex. Gov't Code ch. 552). Bids submitted to the Texas Lottery Commission in response to this IFB are subject to release by the Texas Lottery Commission as public information unless the bid or specific parts thereof can be shown to fall within one or more of the exceptions to disclosure provided in the Act, the State Lottery Act or other applicable law. If a Bidder believes that its bid, or parts thereof, is confidential under the Act, it must specify that either all or part is excepted by marking "Confidential" on each page or by each paragraph containing such information. The Bidder further must specify which exception(s) it believes applies for each portion marked "Confidential," with specific and detailed reasons. Vague, general or blank claims to confidentiality are not acceptable. This is necessary so the Texas Lottery Commission will have sufficient information to provide the Attorney General of Texas, if an opinion regarding the confidentiality of the information is requested. All Bids or parts of Bids that are not marked as being confidential may automatically be considered public information after a contract has been awarded. The successful bid may be considered public information even though parts are marked "confidential."

2.8 Certification

Pursuant to Tex. Gov't Code §466.103 (Prohibited Contracts), the Texas Lottery Commission Executive Director may not award a contract for the purchase or lease of facilities, goods, or services related to lottery operations to a person who would be denied a license as a sales agent under Tex. Gov't Code §466.155. By submitting a bid, each Bidder certifies that it has reviewed Tex. Gov't Code §466.155 (attached hereto as **Attachment A**) and neither the Bidder nor any of the following would be denied a license as a sales agent: (i) Bidder's officers, directors, investors, owners, partners, and principals, as more particularly described in Tex. Gov't Code §466.155 (collectively, Bidder Principals); or (ii) any spouse, child, brother, sister or parent residing as a member of the same household in the principal place of residence of the Bidder or any of the Bidder Principals.

Additionally, as part of any bid, proposal or agreement, Bidder must provide written certification (**Attachment H**) that it would not be denied a license as a sales agent pursuant to Tex. Gov't Code §466.155. **Attachment G** must be signed and returned with the bid; otherwise, the bid may be disqualified.

2.9 Vendor Performance

Under Tex. Gov't Code §§ 2155.074 and 2155.075, vendor performance may be used as a factor in the award.

The Vendor Performance Tracking System (VPTS) is maintained by the Statewide Procurement Division (SPD) of the Texas Comptroller of Public Accounts (CPA). Vendor ratings are based on set performance criteria which include Administration, Scope, Product, Delivery, Customer Service, Communication and Cancellation. For more information see <https://comptroller.texas.gov/purchasing/programs/vendor-performance-tracking/index.php#overview>

PART 3 RESPONSE REQUIREMENTS

3.7 Historically Underutilized Business Participation

3.7.1 HSP Requirement

The Texas Lottery has adopted the rules promulgated by the Comptroller of Public Accounts (CPA) regarding Historically Underutilized Businesses (HUBs) in 34 Texas Administrative Code (TAC) §§ 20.281 – 20.298 (See https://texas-sos.appianportalsgov.com/rules-and-meetings?chapter=20&division=1&interface=VIEW_TAC&part=1&subchapter=D&title=34). By submitting a Bid, the Bidder certifies that it has reviewed 34 TAC §§ 20.281 - 20.298. Rule 20.285 addresses the specific requirements of Historically Underutilized Business subcontracting plans (HSPs).

3.7.2 HSP Submission and Texas Lottery Review

- a. All Bids must include an HSP (Attachment J, including Method A or B, if applicable) in the format required by the Comptroller of Public Accounts. Bidders may access the HSP forms on-line at the following CPA website link: <https://www.comptroller.texas.gov/purchasing/vendor/hub/forms.php>. The forms must be printed, signed and submitted with your Bid. **The HSP is a pass/fail requirement. BIDS THAT DO NOT INCLUDE A COMPLETED HSP PREPARED IN ACCORDANCE WITH 34 TAC §20.285 SHALL BE REJECTED AND WILL NOT BE EVALUATED.**
- b. The HSP forms are provided in Attachment J of this IFB. To determine whether a Bidder has performed a good faith effort in preparing its HSP as required by the Comptroller's HUB rules, the Texas Lottery may request clarifications, if necessary. The HSP will be reviewed based on the Bidder's submission and any clarifications requested by the agency.

3.7.3 Assistance for Preparation of HSP

- a. *HSP Quick Check List and HUB Subcontracting Opportunity Notification Form.* Attached to this IFB are an HSP Quick Check List (Attachment J-1) prepared by the CPA and a HUB Subcontracting Opportunity Notification Form (Attachment J-2). Attachment J-1 is intended to assist Bidders in preparing the HSP forms but is not

required to be submitted with Bids. Bidders are encouraged to use Attachment J-2 when sending notice of subcontracting opportunities.

b. *Additional TLC Assistance.* As stated above, if an HSP is rejected, the Bid will be disqualified and will not be considered. **Therefore, Bidders are strongly encouraged to start preparing HSP forms as soon as possible and take advantage of the following TLC assistance. Please note there are deadlines associated with this process and Bidders have a limited amount of time to cure any deficiencies.**

- Written questions regarding the HSP can be submitted at any time up until the Bid deadline. The TLC will compile and post a separate HSP question-and-answer document on the TLC website. The document will be updated as questions are submitted. **It is the Bidder's responsibility to check the TLC website for this information.**
- The TLC will conduct one-on-one HSP workshops with Bidders upon request. The workshops will cover detailed information on how to complete the HSP forms. Workshops must be concluded by the date and time listed in the Schedule of Events. Workshops may be conducted via Zoom, TEAMS or telephone conference. During these workshops, the TLC will not answer any questions that are not directly related to the HSP process. **Bidders are responsible for contacting the Texas Lottery to schedule a workshop during the specified time period.**
- The TLC will review and provide individual written feedback on draft HSP forms submitted by Bidders. Draft HSP forms must be submitted by the date and time listed in the Schedule of Events. Upon request, the TLC may also provide verbal feedback.

Note that "draft HSP forms" consist only of the forms included in Attachments J, J-1 and J-2 of the IFB and documentation related to performance of the good faith effort. In reviewing draft forms, the TLC will not comment on responses to any other sections of the IFB, even if they are referred to in the HSP forms. Bidders are instructed not to submit any other portions of their Bid to the TLC as part of the draft HSP.

One-on-one workshops and the TLC's review of draft HSP forms do not guarantee that the HSP submitted with the Bid will pass.

3.7.4 Requirements for Completing the HSP Forms

- a. TLC's HUB Participation Goal. The goods and/or services requested in this IFB are classified in the category of Other Services Contracts. The agency's HUB participation goal for this IFB is 21.60%.
- b. Requirements of the HUB subcontracting plan. Each Bidder shall complete the HSP forms prescribed by the Comptroller (Attachment J) and provide the following:
 - (A) a certification the Bidder has made a good faith effort to meet the requirements of 34 TAC § 20.285;
 - (B) the names of the subcontractors that will be used during the course of the Contract;

- (C) the expected percentage of work to be subcontracted; and
- (D) the approximate dollar value of that percentage of work.

Each Bidder shall provide all documentation required by the agency to demonstrate the Bidder's compliance with the good faith effort requirements prior to Contract Award. If a Bidder fails to provide supporting documentation (phone logs, fax transmittals, electronic mail, etc.) by the deadline specified by the agency, the Bid shall be rejected for material failure to comply with Tex. Gov't Code §2161.252 (b).

c. Bidder Intends to Subcontract

Bidders who intend to subcontract any portion of the Contract must indicate in the HSP form that they intend to subcontract, and must perform one of the three good faith effort methods identified below.

- **All-HUB-Subcontractors Method:** The Bidder may use the all-HUB-subcontractors method to demonstrate a good faith effort for any subcontracting opportunity by submitting documentation that 100% of subcontracting opportunities will be performed by HUBs.
- **Meeting-or-Exceeding-HUB-Goal Method:** The Bidder may use the meeting-or-exceeding-HUB-goal method to demonstrate a good faith effort for any subcontracting opportunity by submitting documentation that it will utilize one or more HUBs to perform subcontracts with a total value that will meet or exceed the HUB utilization goal identified by the procuring state agency in the solicitation.
- **Solicitation Method:** The Bidder will perform good faith effort outreach for each identified subcontracting opportunity by notifying at least three (3) Texas-certified HUBs and two (2) trade organizations or development centers that serve members of the HUB groups of the subcontracting opportunities that the Bidder intends to subcontract. Neither the day on which the notice is sent nor the day on which the Bidder submits its response count as one of the required seven working days.
Bidders using this method must perform the outreach even for areas where a Bidder has a pre-existing subcontracting relationship.

BIDDERS WHO INTEND TO SUBCONTRACT, AT A MINIMUM, MUST USE ONE OF THE METHODS OUTLINED ABOVE. FAILURE TO DO SO WILL RESULT IN DISQUALIFICATION.

d. Bidder Does Not Intend to Subcontract

Bidders who intend to fulfill the entire Contract using only their own existing resources and employees, without subcontracting, should check the appropriate box in Section 2 of the HSP form and complete Sections 3 and 4 of the form.

The Bidder must explain how all functions of the Contract will be performed without the use of Subcontractors and should refer to Section 3 of the HSP form.

3.7.5 Subcontracting Opportunities

- a. The Texas Lottery has identified the following potential subcontracting opportunities under this IFB. Bidders intending to subcontract any must perform the good faith effort detailed in the HSP instructions and include a compliant HSP with the Bid.

Any attempt to influence participants, whether that attempt is oral or written, formal or informal, direct or indirect, outside of the IFB process is strictly prohibited.

Should allegations of improper contact be made prior to any contract award, the TLC Executive Director may investigate those allegations and, in the Executive Director’s sole discretion, disqualify a Bidder.

5.2 Bid Evaluation Criteria

Pursuant to Tex. Gov’t Code §2261.052(a) (“Determining Lowest and Best Bid or Proposal”), in determining the lowest and best bid or proposal, a state agency shall consider:

- (1) the Bidder’s price to provide the goods or services;
- (2) the probable quality of the offered goods or services; and
- (3) the quality of the Bidder’s past performance in contracting with the Texas Lottery, with other state entities, or with private sector entities.

In addition to these factors, the Texas Lottery Commission reserves the right to consider the following and any other factors deemed relevant to evaluate the Bids and determine the “Best Value” for the commission:

- (1) the Bidder’s experience in providing the requested goods and services.
- (2) the qualifications of the Bidder’s personnel.

Texas Lottery Commission reserves the right to accept or reject in whole or in part any bid submitted pursuant to this IFB, and to waive minor technicalities when in the best interest of the Texas Lottery Commission and the state. The Texas Lottery Commission reserves the right to incorporate additional provisions in any contract in the best interest of the Texas Lottery.

6.2 Termination for Convenience

The Texas Lottery Commission may terminate any contract, in its sole discretion, in whole or in part, that is entered into as a result of this IFB at will and without cause, upon no less than thirty (30) days' advance written notice to the Successful Bidder. The Texas Lottery also may terminate any contract immediately, with written notice, if in the Texas Lottery Commission Executive Director's sole judgment, the integrity or security of the Texas Lottery Commission is in jeopardy, and it is in the best interest of the Texas Lottery Commission to do so. The Texas Lottery's right to terminate for convenience any contract resulting from this IFB is cumulative of all rights and remedies which exist now or in the future.

6.3 Termination without Penalty

Pursuant to Tex. Gov't Code, §466.014(c), the TLC Executive Director is permitted to terminate any contract entered into as a result of this IFB, without penalty, if an investigation reveals that the Successful Bidder would not be eligible for a sales agent license under Tex. Gov't Code §466.155.

6.4 Termination and New Contract Award

Default by Successful Bidder in its performance under any contract resulting from this IFB authorizes the Texas Lottery Commission to terminate the contract and award a contract to the Bidder receiving the next highest overall technical score as determined by the evaluation committee (in accordance with Section 5.2) or to obtain the goods or services to be provided under this IFB elsewhere, and to charge the full increase, if any, in cost and handling to the defaulting Successful Bidder.

All obligations of the Texas Lottery are subject to the availability of legislative appropriations and are subject to statutory restrictions of the Texas Legislature and the Texas Constitution. The Successful Bidder acknowledges the ability of the Texas Lottery to make payments under the Contract is contingent upon the continued availability and authorization for expenditure of funds. The Successful Bidder further acknowledges funds may not be specifically appropriated for the Contract and the Texas Lottery's continual ability to make payments under the Contract is contingent upon the funding levels

appropriated to the agency. The Texas Lottery will use all reasonable and lawful efforts to ensure funds are available. The Successful Bidder agrees if future levels of funding for the Texas Lottery are not sufficient to continue operations without operational reductions, the Texas Lottery, in its sole discretion, may terminate the Contract, either in whole or in part. In the event of such termination, the Texas Lottery will not be considered to be default or breach under the Contract, nor shall it be liable for any damages or other amounts caused by or associated with such termination. The Texas Lottery shall make reasonable best efforts to provide advance written notice of Contract termination to the Successful Bidder. In the event of termination, the Successful Bidder shall, unless otherwise mutually agreed upon in writing, cease all work immediately. The Texas Lottery shall be liable for payments limited only to the portion of work the agency authorized in writing before the termination date that the Successful Bidder has completed, delivered to the agency, and that is accepted by the agency.

Any and all actions or suits brought by a Bidder or any related party regarding this IFB or any contract resulting from this IFB shall be brought in the state district court located in Austin, Travis County, Texas. By submitting a bid, a Bidder is deemed to waive the right to bring any action in any other court. This section is purely a venue provision and shall not be deemed a waiver of sovereign immunity.

7.7 Pre-Existing Rights and Third-Party Rights

7.7.1 To the extent that any pre-existing rights and/or third party rights or limitations are embodied, contained, reserved or reflected in the Works, the Successful Bidder shall either (a) grant to the Texas Lottery the irrevocable, perpetual, non-exclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative works based upon such pre-existing rights and any derivative works thereof in connection with the sale, offering for sale, marketing, advertising, and promotion of the Texas Lottery's goods and services, and in all forms of media, media channels and/or publicity that may now exist or hereafter be created or developed, including but not limited to television, radio, print, Internet, and social media (e.g., Facebook, Twitter, YouTube, etc.) and (ii) authorize others to do any or all of the foregoing, or (b) where the obtaining of the aforementioned rights is not reasonably practical or feasible, provide written notice to the Texas Lottery of such pre-existing or third party rights or limitations, request the Texas Lottery's approval of such pre-existing or third party rights, obtain a limited right and license to use such pre-existing or third party rights on such terms as may be reasonably negotiated, and obtain the Texas Lottery's written approval of such pre-existing or third party rights and the limited use of same. The Successful Bidder shall provide the Texas Lottery with documentation indicating a third party's written approval for the Successful Bidder to use any pre-existing or third-party rights that may be embodied, contained, reserved or reflected in the Works. The Successful Bidder shall indemnify, defend and hold the Texas Lottery harmless from and against any and all claims, demands, regulatory proceedings and/or causes of action, and all losses, damages, and costs (including attorneys' fees and settlement costs) arising from or relating to, directly or indirectly, any claim or assertion by any third party that the Works infringe any third-party rights. The foregoing indemnity obligation shall not apply to instances in which the Texas Lottery either (y) exceeded the scope of the limited license that was previously obtained by the Successful Bidder and agreed to by the Texas Lottery, or (z) obtained information or materials, independent of the Successful Bidder's involvement or creation, and provided such information or materials to the Successful Bidder for inclusion in the Works, and such information or materials were included by the Successful Bidder, in an unaltered and unmodified fashion, in the Works.

7.7.2 The Successful Bidder agrees that it shall have and maintain, during performance of the Contract, written agreements with all employees, Subcontractors, or agents engaged by the Successful Bidder in performance hereunder, granting the Successful Bidder rights sufficient to support all performance and grants of rights by the Successful Bidder. Copies of such agreements shall be provided to the Texas Lottery promptly upon request.

7.8 Right and Authority of Bidder

Bidder hereby represents and warrants that (i) it has full right and authority to perform its obligations and grant the rights herein granted, (ii) Bidder has neither assigned nor otherwise entered into an agreement by which it purports to assign or transfer any right, title or interest to the Works, materials, technology or intellectual property rights that would conflict with its

obligations under the IFB or any resulting contract, and further covenants and agrees that it shall not enter into any such agreements, and (iii) the Works will be original and will not infringe any intellectual property rights of any other person or entity. All of the above warranties will survive the termination of any contract resulting from this IFB.

7.9 Injunctive Relief

The IFB and any resulting contract are intended to protect the Texas Lottery Commission's proprietary rights pertaining to the Works, and the Intellectual Property Rights therein, and any misuse of such rights would cause substantial and irreparable harm to the Texas Lottery Commission's business. Therefore, the Successful Bidder acknowledges and stipulates that a court of competent jurisdiction should immediately enjoin any material breach of the intellectual property, licensing, and confidentiality provisions of this IFB and any resulting contract, upon request by the Texas Lottery Commission, without requiring proof of irreparable injury as same should be presumed.

The Notification Protocol should be used for anything that will assist security officers to be successful.

The purpose of the Notification Protocol is to provide quick answers/guidance to officers and allow TLC management to promptly address incidents/issues. Strict adherence by security officers to this requirement is expected.

While the Notification Protocol should be used for anything that will assist security officers to be successful, the following events require the Notification Protocol be used as follows:

- Threats to life and and/or safety in and around the TLC controlled facilities
- Suspicious activity or safety observations in/around TLC controlled facilities
- Building system failures/issues (i.e. fire system, security management system, elevators)
- External emergencies (i.e. extreme weather conditions, chemical spills, police actions, etc.)

911/311 REQUEST FOR ASSISTANCE

The Notification Protocol is not required prior to initiating a 911/311 call and/or prior to interaction with police or emergency services. Officers never need approval from the TLC to call 911/311, or to respond to any request for assistance from police or emergency services. The Successful Bidder will not be penalized for 911/311 calls that are deemed later to have been unwarranted. Officers shall use the Notification Protocol as soon possible after initiating the 911/311 call and/or interaction with police or emergency services.

ATTACHMENT I**POLICY ON THE UTILIZATION OF HISTORICALLY UNDERUTILIZED BUSINESSES (HUBS)**

In accordance with Texas Government Code §§2161.181-182 and §466.107, and with the Texas Lottery Commission's rule relating to Historically Underutilized Businesses (HUBs), 16 Texas Administrative Code §403.301, state agencies shall make a good faith effort to utilize HUBs in contracts for construction, services, including professional and consulting services, and commodity contracts. The Commission has adopted the Comptroller of Public Accounts HUB Rules as its own rules, and encourages the use of HUBs by implementing these policies through race, ethnic, and gender-neutral means. The Commission is committed to promoting full and equal business opportunities for all businesses in State contracting in accordance with the goals specified in the State of Texas Disparity Study:

- (1) *11.2% for heavy construction other than building contracts;
- (2) *21.1% for all building construction, including general contractors and operative builders contracts;
- (3) 32.9% for all special trade construction contracts;
- (4) 23.7% for professional services contracts;
- (5) 26.0 % for all other services contracts; and,
- (6) 21.1% for commodities contracts.

* Heavy Construction and Building Construction categories/goals are not applicable to the Lottery Commission's operations. Currently, the Commission does not have programs or strategies related to these categories.

The Commission and its contractors shall make a good faith effort to meet or exceed these goals and assist HUBs in receiving a portion of the total contract value of all contracts that the Commission expects to award in a fiscal year. It is the policy of the Commission to accomplish these goals either through contracting directly with HUBs or indirectly through subcontracting opportunities. The Commission's policy on the utilization of HUBs and minority businesses is related to all contracts with an expected value of \$100,000 or more, and whenever possible, in contracts less than \$100,000.

As set forth in the Comptroller's HUB rules at 34 Texas Administrative Code §20.282, a HUB is a business, as described below, that is certified by the State of Texas and has not exceeded the size standards established by 34 Texas Administrative Code §20.294 with its principal place of business in Texas. Qualifying HUB owners must be residents of the State of Texas; have a proportionate interest and demonstrate active participation in the control, operation, and management of the HUB entity's affairs; and be economically disadvantaged because of their identification as members of the following groups: Black Americans, Hispanic Americans, American Women, Asian Pacific Americans, Native Americans, or Disabled Veteran.

The Comptroller of Public Accounts will certify those eligible businesses that apply for HUB certification under the following business structures and defined ownership:

- Woman or Minority-Owned Business:

- a) a corporation formed for the purpose of making a profit in which at least 51% of all classes of the shares of stock or other equitable securities are owned by one or more person(s) identified above;
 - b) a sole proprietorship created for the purpose of making a profit that is 100% owned, operated, and controlled by a person identified above;
 - c) a partnership formed for the purpose of making a profit in which 51% of the assets and interest in the partnership is owned by one or more persons identified above;
 - d) a joint venture in which each entity in the joint venture is a HUB;
 - e) a supplier contract between a HUB and a prime contractor under which the HUB is directly involved in the manufacture or distribution of the supplies or materials or otherwise warehouses and ships the supplies; or
 - f) a business which is formed for the purpose of making a profit which is otherwise a legally recognized business organization under the laws of the State of Texas, provided that at least 51% of the assets and 51% of any classes of stock and equitable securities are owned by one or more persons identified above.
- Service Disabled Veteran Business:
 - a) Veterans as defined by 38 U.S.C. §101(2) who have suffered at least a 20% service-connected disability as defined by 38 U.S.C. §101(16) who are not Black Americans, Hispanic Americans, American Women, Asian Pacific Americans, or Native Americans.

For further explanation, see the Comptroller of Public Accounts HUB Rules definitions at 34 Texas Administrative Code §20.282.

ATTACHMENT J

HISTORICALLY UNDERUTILIZED BUSINESS SUBCONTRACTING PLAN

HUB Subcontracting Plan (HSP)

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.284 are:

- **11.2 percent for heavy construction other than building contracts,**
- **21.1 percent for all building construction, including general contractors and operative builders' contracts,**
- **32.9 percent for all special trade construction contracts,**
- **23.7 percent for professional services contracts,**
- **26.0 percent for all other services contracts, and**
- **21.1 percent for commodities contracts.**

- - Agency Special Instructions/Additional Requirements - -

*In accordance with 34 TAC §20.285(d)(1)(D)(iii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only the aggregate percentage of the contracts expected to be subcontracted to HUBs with which the respondent **does not** have a **continuous contract*** in place for **more than five (5) years** shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.*

If you responded "No" to SECTION 2, Item a, in the space provided below **explain how** your company will perform the entire contract with its own employees, supplies, materials and/or equipment.

SECTION 4: AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.
- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at <https://www.comptroller.texas.gov/purchasing/docs/hub-forms/ProgressAssessmentReportForm.xls>).
- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency's prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.
- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company's headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

SECTION B-3: NOTIFICATION OF SUBCONTRACTING OPPORTUNITY

When completing this section you **MUST** comply with items **a, b, c and d**, thereby demonstrating your Good Faith Effort of having notified Texas certified HUBs and trade organizations or development centers about the subcontracting opportunity you listed in SECTION B-1. Your notice should include the scope of work, information regarding the location to review plans and specifications, bonding and insurance requirements, required qualifications, and identify a contact person. When sending notice of your subcontracting opportunity, you are encouraged to use the attached HUB Subcontracting Opportunity Notice form, which is also available online at <https://www.comptroller.texas.gov/purchasing/docs/hub-forms/HUBSubcontractingOpportunityNotificationForm.pdf>.

Retain supporting documentation (i.e., certified letter, fax, e-mail) demonstrating evidence of your good faith effort to notify the Texas certified HUBs and trade organizations or development centers. Also, be mindful that a working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the trade organizations or development centers is considered to be “day zero” and does not count as one of the seven (7) working days.

- a.** Provide written notification of the subcontracting opportunity you listed in SECTION B-1, to three (3) or more Texas certified HUBs. Unless the contracting agency specified a different time period, you must allow the HUBs at least seven (7) working days to respond to the notice prior to you submitting your bid response to the contracting agency. When searching for Texas certified HUBs and verifying their HUB status, ensure that you use the State of Texas’ Centralized Master Bidders List (CMBL) - Historically Underutilized Business (HUB) Directory Search located at <http://mycpa.cpa.state.tx.us/tpasscmbldsearch/index.jsp>. HUB status code “A” signifies that the company is a Texas certified HUB.
- b.** List the **three (3) Texas certified HUBs** you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the company’s Texas Vendor Identification (VID) Number, the date you sent notice to that company, and indicate whether it was responsive or non-responsive to your subcontracting opportunity notice.

- c.** Provide written notification of the subcontracting opportunity you listed in SECTION B-1 to **two (2)** or more trade organizations or development centers in Texas to assist in identifying potential HUBs by disseminating the subcontracting opportunity to their members/participants. Unless the contracting agency specified a different time period, you must provide your subcontracting opportunity notice to trade organizations or development centers at least seven (7) working days prior to submitting your bid response to the contracting agency. A list of trade organizations and development centers that have expressed an interest in receiving notices of subcontracting opportunities is available on the Statewide HUB Program’s webpage at <https://www.comptroller.texas.gov/purchasing/vendor/hub/resources.php>.

***Continuous Contract:** Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service, to include under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.
