

AMENDMENT NO. 2 to the CONTRACT FOR INSTANT TICKET MANUFACTURING AND SERVICES between the TEXAS LOTTERY COMMISSION and POLLARD BANKNOTE LIMITED

WHEREAS, the Texas Lottery Commission (the "Commission" or "Texas Lottery") and Pollard Banknote Limited ("the Contractor") (collectively, "the Parties") entered into a contract for Instant Ticket Manufacturing and Services with an effective date of September 1, 2012, as amended by Amendment No. 1 effective March 22, 2013 (collectively, the "Contract");

WHEREAS, pursuant to Section IV of the Contract, the parties may by mutual agreement modify the scope, personnel and prices set forth in the Contract; and

WHEREAS, the parties now wish to amend the Contract as more specifically set forth below.

NOW, THEREFORE, pursuant to Section IV of the Contract, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree to amend the Contract as follows:

- 1. Attachment A to this Amendment No. 2 supersedes and replaces Contractor's Revised Sealed Cost Proposal in Amendment No. 1, and shall apply during the Contract term and any renewal period. Attachment A is incorporated by reference and expressly made a part of this Amendment No. 2 and the Contract.
- 2. Except as amended hereby, all of the terms of the Contract remain in full force and effect. All capitalized terms not specifically defined herein shall have the meaning assigned to such terms in the Contract.
- 3. This Amendment shall be effective upon execution by both parties.

ATTACHMENT A to Amendment No. 2 REVISED SEALED COST PROPOSAL

NOTE TO ALL PROSPECTIVE PROPOSERS: THE COST PROPOSAL MUST BE SUBMITTED IN A SEPARATE SEALED ENVELOPE AS AN ATTACHMENT TO THE ORIGINAL PROPOSAL.

Payment will be based on cost per thousand tickets manufactured.

Options

As part of the base cost (price per thousand tickets) submitted by a Proposer, all items represented in the Proposal must be provided unless specifically identified as Invited, Offered or Specified Options. Any such options must be specifically detailed in the Proposal.

If the services represented in the Proposal are not clearly indicated as Invited, Offered or Specified Options, the cost for such services is included in the base price.

Offering a required item as an option may be cause for rejection of the Proposal.

Evaluation of the Cost Proposal

For purposes of evaluation and comparison, all cost cells for the Base Price and the following four Specified Options (Full UV Coating, Dual Color Imaging, Metallic Ink and Fluorescent Ink) will be evaluated. While all cost cells will be evaluated, some may have greater weight

Common Price

The Texas Lottery's objective is to maximize revenue to the State of Texas through the selection of —industry best || games and those consistent with the Texas Lottery's current product mix and instant ticket strategy. The Texas Lottery evaluates games based on a variety of criteria including, but not limited to, sales performance, ticket theme, play style, planned start date and overall fit within the overall instant game portfolio. Using these criteria and others, the Texas Lottery also includes branded, proprietary or licensed games which it believes present the best opportunity for maximizing ticket sales and generating revenues for the State.

In working toward its objective to maximize revenue to the State of Texas through the selection of —industry best || games and those consistent with the Texas Lottery's current product mix and instant ticket strategy, the Texas Lottery believes that utilizing multiple vendors for instant ticket manufacturing and services promotes competition, optimizes vendor performance and enhances business resumption capabilities.

The Texas Lottery desires to select multiple Successful Proposers that demonstrate superior technical quality and service and that offer competitive pricing.

The Texas Lottery, through negotiations with all Apparent Successful Proposers, desires to establish common prices for the goods/services included in the Base Price and four specified options (Full UV Coating, Dual Color Imaging, Metallic Ink and Fluorescent Ink).

As an incentive to accept the common prices established by the Texas Lottery and at the agency's sole discretion, Successful Proposers may be offered an opportunity to produce a comparable number of games for a set period (as determined by the Texas Lottery in its sole discretion) following Contract Award. The Texas Lottery, in its sole discretion, will determine the quantity and volume of ticket production awarded to each Successful Proposer and expressly reserves the right to decrease or increase game orders consistent with the considerations in section 1.1.7, together with other factors including, but not limited to, technical quality and customer service.

Base Price

Each Proposer should complete the following matrix utilizing cost per thousand tickets and provide pricing information for each quantity and actual ticket size printed on the identified ticket stock. Prices must be proposed to two (2) decimal places (example: \$6.60/thousand). Base price includes any and all requirements, goods and services described in this RFP that are not Invited, Offered or Specified Options as referenced in this RFP. Specifically, base price shall include insertion of $4 \parallel X 4 \parallel$ POS cards in each pack, four color processing, expanded imaging and any additional spot colors required to produce the game tickets as represented in the executed working papers.

Branded, Proprietary and Licensed Games

The Texas Lottery may use branded, proprietary and licensed games as part of its game portfolio. The Successful Proposer shall be required to provide, in writing, to the Texas Lottery the fee for each new game within thirty (30) days of acquiring that brand, license or proprietary process. In accordance with the executed working papers, the Texas Lottery may require prize fulfillment services for licensed property games and/or other games manufactured by the Successful Proposer.

Exclusive Pricing rates should be categorized in a table(s) based on product strength/recognition and priced accordingly. Proposers shall provide separate tables for games that utilize licensing fees and games that utilize merchandise allocations. Licensed property games whether utilizing the licensing fee or merchandise model shall include print costs and any necessary fulfillment services. Proposers should provide any volume discounts.

Please provide pricing tables for Branded, Proprietary and Licensed games.
