If a game closes due to Zero Top Prizes, retailers may sell any of the other promotion games to reach the pack threshold. Retailers must be Active on October 24 to be eligible for award packs and drawing entries. If the Texas Lottery identifies irregularities in pack settlements or returns, the agency may disqualify a retailer from participating in incentives and take action against the retailer's license.

DRAWING

- Pending audit, the drawing is planned for **November 10**.
- Pending audit, drawing payments to retailers' lottery bank sweep account are planned for **December 11**.
- Only one drawing prize per location. A chain with multiple locations may win at more than one location.
- If there are not enough unique retailers with entries to award all the prizes there may be fewer winners for the drawing.

AWARD PACKS

- Retailers who qualify for award packs, but do not maintain their Texas Lottery® license after **October 24** must contact their Brightstar district office by **October 29** to claim packs.
- Results may be available after **November 20**, pending audit.
- Tickets will be delivered by **January 4, 2027**.

*The Texas Lottery may substitute a different scratch ticket game of equal value for the game listed.

**Packs must be in Settled status and have a validation recorded in the Texas Lottery gaming system to qualify for the promotion.
