This information is provided to inform retailers of the Texas Lottery® retailer bonus program. It is not a comprehensive description of the entire program. All Texas Lottery directives, policies, procedures, rules and regulations apply.

*If multiple jackpot prize-winning tickets are sold by more than one Texas Lottery retailer, the bonus will be divided equally between the retailers, up to a maximum of \$250,000 for any drawing.

The Texas Lottery has a limited budget of \$2.01 million for retailer bonus payments between September 1, 2025 and August 31, 2026 and may change criteria for earning a bonus payment over that period. If at any point during the fiscal year the total amount of bonuses reaches the appropriated budget, the program may be suspended for the remainder of the fiscal year to ensure bonus payments remain within the program budget.

Note: "Jackpot" refers to the Grand Prize in the Lotto Texas®, Powerball®, Mega Millions® and Texas Two Step® games.
